Musicians

Toby Crook: vocals and piano
Momoko Fergusson: vocals
Jake Burton: drums
Laura Corazzina: bass
Andy Watt: guitar
Sera Jo: electric piano

Lyrics

Touching surfaces every day
Feeling no spark of tenderness within

Touch in mine

There's a vibrational current between
Every fingertip and the unseen
Dipping your subtle hand into the flow
Neural connection now sings to us

Touch in mine

The tip of my tongue

Follow blind fingertips feeling their way
And with ten roaming lips unwrap the delicacy folded within silence
