Lyrics

Can't stop. Won't stop. Can't stop. Won't stop.
Can't stop. Won't stop.
It's burning through my soul.
And I gotta go.

Turn on. Turn off. Wax on. Wax off.
Can't stop. Won't stop.
My mind's in overflow.
It's gonna blow.

La la la la la la la la.
It's all she wants to sing.
I'm restless at night. I'm drawn to the light.

Flip flop. Pork chop. Bread Top. New mop.
Can't stop. Won't stop.
Here we go again.
So strap yourselves in.

La la la la la la la la.
It's all she wants to sing.
I'm breathless at night. I'm drawn to the light.

La la la la la la la la.
It's all she wants to sing.
I'm restless at night. I'm drawn to the light.
